**CONSENT MOTION FOR
STATUS CONFERENCE**

The United States, by and through the United States Attorney for the Eastern District of North Carolina, hereby files this motion for a status conference with consent of all parties.

Initial discussion was had between counsel for all parties as a result of the Court's directive in its August 3, 2009 Order. The government explained that substantial unclassified discovery is expected to go out in a timely manner, in approximately twenty days. The anticipated disclosure includes significant paper, as well as a number of audio recordings. As a result, all parties expressed joint interest in meeting with the assigned Honorable Chief United States District Judge for a status conference, to review the scheduling order entered July 31, 2009, as well as to

discuss the setting of the CIPA pretrial conference. The government requests the CIPA conference be had at a date after the subject status conference.

For these reasons, the government, with consent of all parties, requests a status conference in this matter. If it pleases the Court, all attorneys involved are available for a conference the last week of August. Further, after conference with United States Magistrate Judge William A. Webb, the parties understand that the deadlines established in the scheduling order entered July 31, 2009 will be terminated until such time as an amended order can be entered after the requested status conference.

Respectfully submitted this 5th day of August, 2009.
